With a capacity to accommodate 160 guests for dinner, The Clubhouse boasts all the necessary AV equipment for your memorable moments - from the first dance to heartfelt speeches and ambient background melodies. Additionally, there's ample space to welcome an extra 100 evening guests, ensuring no one misses out on the celebration.

One of its most captivating features is the presence of grapevines delicately woven into the ceiling of the dining area. Flourishing between April and September, these vines seamlessly blend outdoor charm with indoor elegance, leaving your guests in awe.

Even during the winter months, these vines can be adorned according to your preferences, maintaining the venue's captivating allure. Complementing this captivating ambiance is a well-appointed bar, cosy seating zones and ample space for dancing, ensuring an unforgettable celebration.
